

THERMALCASH

in partnership with

FUJITSU | AIRSTAGE

In partnership with Fujitsu, we are excited to reward our customers with Thermal Cash.

From 14 September 2024, customers who purchase an eligible air conditioning system from the team at Thermal Active Air Conditioning & Heating Pty Ltd and have the team install, will receive a prepaid Eftpos card valued up to \$200.

The reward values are:

Wall Mounted Systems - \$100

Reverse Cycle Multi Systems - \$200

Ducted Air Conditioning - \$200

Visit fujitsugeneral.com.au/residential-products to find an air conditioning system to suit your needs. Contact the team at Thermal Active who will give you friendly and expert service you can trust and to take advantage of the Thermal Cash offer.

This year's promotion is strictly for residential customers who use Thermal Active to supply and install an eligible air conditioning system (commercial businesses excluded).

Promotion will end 31 October 2024.

Gift cards are unable to be used towards the purchase of an air conditioning system.

Gift cards will be mailed to the address provided (or provided in person where possible) within four weeks of the completed payment of an air conditioning system.
